Johannesburg, South Africa; 22 January 2025

Bureau Veritas is recognised as a Top Employer 2025 in Africa

Top Employers Institute has officially announced their 2025 regional Top Employers, and we are proud to announce Bureau Veritas as a Top Employer.

The Regional Certification for Africa included four Bureau Veritas countries, namely South Africa, Morocco, Kenya and Ivory Coast.

Each year, Top Employers Institute certifies organisations who are focused on putting their people first through their exceptional HR policies.

The Top Employers Institute programme certifies organisations based on the participation and results of their HR Best Practices Survey. This survey covers six HR domains consisting of 20 topics including People Strategy, Work Environment, Talent Acquisition, Learning, Diversity & Inclusion, Wellbeing and more.

Top Employers Institute CEO David Plink says: “Consistency in a not-so-consistent world? In a time of rapid change—where technological, economic, and social factors continually reshape our world—these extraordinary times bring out the best in people and organisations. This year’s Top Employers Certification Programme showcases the resilience of the certified Top Employers 2025, who consistently prioritize the growth and wellbeing of their people, as they enrich the world of work. We are proud to celebrate these people-first leaders and teams as the Top Employers for 2025!”

The programme has certified and recognized over 2,400 Top Employers in 125 countries/regions across five continents.
